

Vacancy: Financial Accountant

Date: 23 April 2021

Our client in the Agricultural industry is seeking a skilled Financial Accountant to join their team!

The purpose of the position is to maintain complete and proper records of revenue, expenditure, assets and liabilities, and ensure the accuracy and integrity of financial information.

The position will be based in Somerset West, Cape Town and the successful candidate will work closely with the company's Managing Director.

In this role you will be required to:

- Prepare payments by verifying documentation, and requesting disbursements;
- Account for and track receivables, including outstanding invoices and any required collection actions;
- Ensuring all employees are paid accurately and timely;
- Summarise current financial status by collecting information; preparing balance sheet, profit and loss statement, and other reports;
- Reconcile financial discrepancies by collecting and analysing account information; and
- Maintain accounting controls by preparing and recommending policies and procedures.

Lastly, our **key requirements** include:

- Bachelor's Degree (Financial Accounting or relevant equivalent);
- Registered Professional Accountant (SAIPA) or Associate General Accountant (SAICA) - Completed Articles;
- At least 5 years' experience in a similar role;
- Proficiency in MS Office packages, Sage Accounting and QuickBooks software;
- Knowledge of Forex and International payments; and
- Experience with logistics and imports/exports will be advantageous.

If you meet the above requirements and are seeking to join a growing business, then this position is for you!

Applications close 31 July 2021, Submit your CV to infodna@crowe.za.com today!
